CORPORATE

011838 (First Posted: 01/08/2016)

POSITION: Human Resources Business Partner

EMPLOYER: Foundation Medicine

LOCATION: Cambridge, MA

DUTIES: The Human Resources Business Partner (HRBP) will take a consultative approach in collaboration with business managers on a variety of human resources-related issues to include: organizational effectiveness, change management, performance management and compensation. The HRBP formulates partnerships across the HR function to deliver value-added service to management and employees that reflect the business objectives of the organization. The HRBP will partner with Legal, IT and other HR team members and support the Research and Development, Medical Affairs and Clinical Development organizations.

QUALIFICATIONS: Bachelors or masters degree, PHR/SPHR preferred. Seven to ten years of HRBP or Generalist experience. Demonstrated track record of proactively suggesting new alternatives to current HR practices, anticipating and developing both strategic and tactical HR plans and programs to accomplish the Company's mission. Experience in most or all of the functional areas associated with this position; excellent management, negotiating and organizational skills; demonstrated ability to achieve results.

SALARY: Commensurate with experience.

011842 (First Posted: 01/15/2016)

POSITION: Recruiter

EMPLOYER: YipitData

LOCATION: New York, NY

DUTIES: YipitData analyzes web data about public companies for institutional investors. In the last year, our revenue has tripled and our team has grown from 15 to 50+ employees. We are hiring a Recruiter to help double our team next year. You will be responsible for managing full-cycle recruiting: from source to close. In doing so, you will collaborate with Business Heads to determine hiring needs, manage our recruiting channels, design and execute Outreach campaigns on LinkedIn and similar platforms, and coordinate the interview process to ensure an exceptional candidate experience. Additionally, you will analyze recruiting statistics and make recommendations for improvement to company Founders.

QUALIFICATIONS: Bachelors degree minimum. The best candidates will have experience conducting in-house, high-volume outbound recruiting campaigns. They will be familiar with modern recruiting channels, platforms and strategies. Additionally, top candidates will be ready for a significant amount of responsibility at a high-growth company.

SALARY: \$120K - \$140K plus benefits and equity

CONTACT: For the full job description, please visit www.yipitdata.com/jobs/#job-recruiter. Interested? Email jobs@yipitdata.com with your resume or LinkedIn profile.

011843 (First Posted: 01/15/2016)
