CORPORATE

011958 (First Posted: 09/30/2016)

POSITION: Senior Director of Labor Relations

EMPLOYER: Global Experience Specialists (GES)

LOCATION: Chicago, IL / Clifton, NJ / Halethorpe, MD

DUTIES: GES, Global Experience Specialists, is a global event marketing company with over 75 years and 3,000 passionate employees in North America, Europe and the Middle East. We connect people through exhibitions and live events by blending art and science to create exciting, compelling face-to-face marketing experiences. GES is searching for a Senior Director of Labor Relations in the Chicago area (preferably). The Senior Director provides proactive and reactive labor relations expertise to GES operations teams. The focus for this role is on mitigating the potential negative impact of labor issues while furthering proactive employee relations efforts.

QUALIFICATIONS: At least ten years of labor relations experience, preferably in the construction or service industry. Experience as chief company spokesperson in contract renewal negotiations. Strong union negotiations experience with major national unions, preferably with Teamsters, Carpenters, Electricians, IUPAT, and IATSE. Must be able to travel up to 60%.

SALARY: Commensurate with experience.

UNION

011937 (First Posted: 09/23/2016)

POSITION: Research Coordinator III

EMPLOYER: Service Employees International Union

LOCATION: Various Locations

DUTIES: The position is responsible for leading the work of research teams assigned to major union or Division campaigns and programs. The Research Coordinator III is responsible for supervising International and/or local research staff and working with international structures and appropriate locals to develop the research capacity, methods, strategies and tools to support these campaigns and programs, and to recruit, train and develop International and Local research staff.

QUALIFICATIONS: Bachelors degree in labor relations or a combination of experience and education that will allow for the development of research/campaign support which support SEIU goals and objectives. Work is generally performed in an office setting, but may be required to work in other settings conducive to performing the tasks required to complete assignments or field work. Travel and long and extended hours required.

SALARY: Commensurate with experience.

EDUCATION

011959 (First Posted: 10/07/2016)

POSITION: Associate Director, Workforce Policy and Labor Relations

EMPLOYER: Cornell University

LOCATION: Ithaca, NY

DUTIES: Under the general direction of the Director, provide strategic direction and leadership for the university's Human Resources non-academic and EEO policies and labor relations functions with the university's seven unions. Conduct labor relations activities, including negotiations, grievances and arbitrations and consult and advise HR leadership across campus on matters related to union contracts. Provide leadership for and conduct EEO compliance activities (including Title VII, Title IX and ADA) and enforce related university policies, including policies prohibiting protected status discrimination and harassment, sexual assault and violence, and disability and religious accommodations. Provide functional supervision to a staff of three employees.

QUALIFICATIONS: Bachelors degree with five to seven years of experience in human resources, labor relations, or related arena or combination of education and experience required. Excellent interpersonal, communication, planning, reasoning and organizational skills, as well as excellent judgment and discretion required. Must interact with others and represent WPLR in a professional, respectful and thoughtful manner. Supervising and leading a team of three staff members. Conducting complex investigations of protected status discrimination, harassment and/or sexual assault, or comparable matters. Strong and effective interpersonal skills including the ability to listen well and demonstrate sensitivity to and respect for individual needs. Must possess respect for the dignity of all human beings, regardless of their behaviors or circumstances. Excellent judgment with the ability to manage highly sensitive and confidential information. Experience with NLRA, Title VII and IX, ADA and general employment law topics preferred. Experience in contract negotiations, contract administration, grievance and arbitration, complaint management/investigations, and policy development preferred. Experience in a university setting desired.

SALARY: Commensurate with experience.
