The Cornell ILR Online Labor Studies Program

provides busy union activists with an opportunity to take college credit courses without regard to their location or work schedules. While there is no physical classroom, there is considerable student-to-student and student-to-instructor interaction, making for lively discussions and group learning.

Courses advance students' knowledge about the issues that matter most to their day-to-day roles and include Collective Bargaining, Labor History, Labor/Employment Law, Conflict Resolution and Contract Administration. Participants can earn a Labor Studies Certificate and/or an Advanced Certificate of Labor Studies.

Adjunct faculty are proud members of the Cornell Adjunct Faculty Alliance, NYSUT, AFT, AFL-CIO. Courses and credits earned in Extension Division programs are not automatically accepted as transfer credits or as a basis of admission to the resident Cornell-ILR programs in Ithaca. Student applications and course transfers are evaluated by universities and colleges on an individual basis.
