Welcome to Warwick Business School

**As Dean of Warwick Business School (WBS)
I am delighted to be leading a world-class school,
at the heart of a world-class institution.**

WBS has a strong tradition of academic excellence, harnessing the power of interdisciplinary thinking, and meshing academia with practice. Our global reputation is reflected in our league table rankings and we are proud to be the first UK business school to achieve triple-accreditation from the world's major management education associations (AACSB; AMBA; EQUIS).

Each year at WBS, we are pleased to welcome around 200 undergraduate exchange students from our strategic international partners. During their time at the school, these students form a vital part of our bustling intellectual and social community. A WBS study placement also offers excellent future networking opportunities that will prove invaluable to both successful business and personal career growth.

Whatever your career aspirations, I am confident that WBS will provide you with the education and experience to hone your inter-cultural competencies via the opportunity to learn from world-class faculty and ultimately, to develop yourself to achieve your goals.

Professor Andy Lockett Dean of Warwick Business School

What our exchange students say about us...

"I strongly recommend an exchange at WBS as you get to gain practical knowledge taught through lectures and computer-based tutorials, and get to mingle with people from around the world. The main difference at WBS is the work-life balance, which is better than at my home university. Students have intense study periods but also have time to relax and hang out with friends. The study abroad team also help to organise trips around the UK which was great for us new arrivals who are unfamiliar with UK transportation."

Fortuna Zhang

Hong Kong University of Science and Technology, Hong Kong

"I loved the people here at WBS. This includes the amazing lecturers, who teach subjects that are not offered back home in Sydney. It includes the other exchange students, who I really enjoyed travelling around Europe with, and with whom I had many fun experiences - whether it was getting together for meals, or navigating the Paris train system with our limited French. Last but not least, I loved meeting UK students. Don't let Warwick's location outside London put you off. WBS is amazing and I'd recommend it to anyone!"

Bernice Zhu

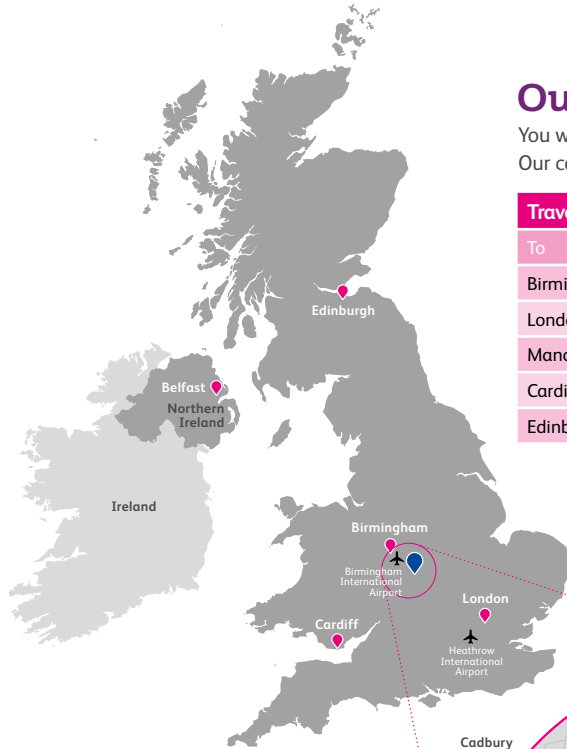

Sydney University, Australia

"I chose to come here as an exchange student for the Autumn Term, although I was nervous to begin with, I am so glad that I took part in the programme. I knew that I wanted to go to Warwick Business School because of their reputation. During my time here, I got involved in numerous activities that really helped me settle in and experience British culture. If you are thinking about coming to Warwick do not hesitate for a second. No matter what kind of person you are, you will always feel welcomed at WBS."
